

PTC and You
Partners for Profit!

Looking to Maximize Your Transmission Filter Kit Sale Opportunities? **We've Got the Best Coverage in Town**

PTC Continues to Expand Their Transmission Filter Kit Offering,

which includes premium Accopac pan gaskets. With over 448 SKU's currently available (and growing), PTC has the comprehensive market coverage needed to maximize your sales opportunities for most all domestic, import and late model applications.

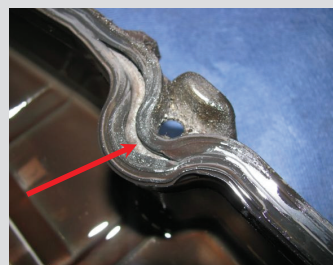

KEY FEATURES AND BENEFITS INCLUDE:

- 448 SKU's available & growing - provide comprehensive market coverage
- Transmission filters are supplied with gaskets, o-rings etc. (per application)
- Transmission filters are manufactured to strict quality standards to meet OE specifications
- Design specifications are maintained through extensive testing and inspection programs
- Optional "skin packed backing board" packaging for better presentation

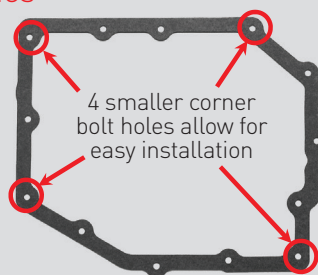

- **Optional premium Accopac transmission pan gaskets** help eliminate leaks from pan irregularities

Leak due to gasket not conforming to pan irregularities

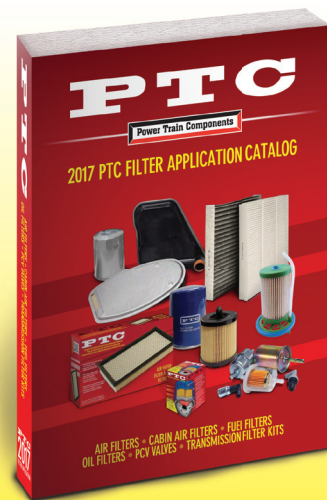

Split gasket caused by over-torquing

4 smaller corner bolt holes allow for easy installation

Included on all rubber and ACCOPAC gaskets

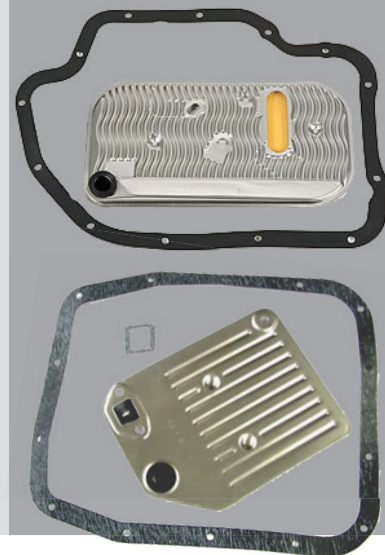

**2017 Filter Application Catalog
Now Available!**
